HEARING OFFICER ORDER

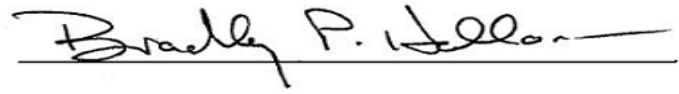

On November 30, 2021, petitioner, Ingredion Incorporated (Ingredion) filed its Third Joint Motion to Stay Proceedings (Mot.) Petitioner requests that these proceedings be stayed until December 1, 2022, with the petitioner filing a status report on or before June 1, 2022. Mot. at 4-5.

Petitioner reports that the Illinois Environmental Protection Agency (Agency) “continues to consider thermal data collected by Ingredion [and] has under consideration specific language regarding thermal limits proposed by Ingredion...” Mot. at 4. Ingredion states that “[t]he Agency cannot make an appropriate recommendation regarding the TLWQS until it is in a position to issue Ingredion’s NPDES permit renewal and can assess whether the TLWQS is necessary in light of both the additional thermal data and the new permit language.” *Id.*

Ingredion’s motion to stay is granted to and including December 1, 2022. Petitioner is directed to file a status report on or before June 1, 2022.

As agreed at the November 30, 2021, telephonic status conference, the parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 24, 2022, at 10:00 a.m. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
