ORDER OF THE BOARD (by J. Van Wie):

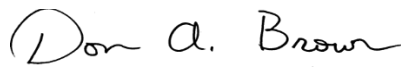

On January 21, 2022, the parties timely filed an amended request to extend the 35-day period within which North Park Public Water District (North Park) may appeal a December 14, 2021 determination of the Illinois Environmental Protection Agency (IEPA), which was served on North Park on December 18, 2021. The determination concerns North Park's proposed response plan with respect to volatile organic compounds in community water systems. The IEPA provided a modification to North Park's proposed response plan.

The Board extends the appeal period until Thursday, March 10, 2022, as North Park requests and to which the IEPA consents. *See* 415 ILCS 5/40(a)(1) (2020); 35 Ill. Adm. Code 105.406. If North Park fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

Board Member M. Gibson abstained.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 17, 2022, by a vote of 4-0.
