ORDER OF THE BOARD (by J. Van Wie):

On March 21, 2022, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Lehigh Gas Wholesale Services, Inc. (Lehigh Gas). The complaint concerns Lehigh Gas' gasoline dispensing facility located at 3950 Vollmer Road in Flossmoor, Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2020)), the Attorney General and the State's Attorneys may bring actions before the Board to enforce Illinois' environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2020); 35 Ill. Adm. Code 103. In this case, the People allege that Lehigh Gas violated Section 9(a) of the Act, 415 ILCS 5/9(a) (2020), and Sections 218.586(i)(1)(B) and 218.586(i)(2)(C) of the Board Air Pollution Regulations, 35 Ill. Adm. Code 218.586(i)(1)(B) and 218.586(i)(2)(C). The People allege that Lehigh Gas committed these violations by failing to timely submit a decommissioning checklist, certification, and test results to the Illinois Environmental Protection Agency (IEPA); failing to timely decommission its vapor collection and control system; and causing, threatening, or allowing emission of volatile organic compounds into the environment so as to violate Board regulations.

On March 21, 2022, simultaneously with the People's complaint, the People and Lehigh Gas filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2020)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2020)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The newspaper notice was published in the *Daily Southtown* on April 11, 2022. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2020); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. See 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Lehigh gas's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act [415 ILCS 5/33(c) (2020)], which bears on the reasonableness of the circumstances surrounding the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act [415 ILCS 5/42(h) (2020)], which may mitigate or aggravate the civil penalty amount. Under the proposed stipulation, Lehigh Gas does not affirmatively admit the alleged violations and agrees to pay a civil penalty of \$5,000.

This opinion constitutes the Board's findings of fact and conclusions of law.

ORDER

2. Lehigh Gas must pay a civil penalty of \$5,000 no later than Monday, June 13, 2022, which is the first business day following the 30th day after the date of this order.
