HEARING OFFICER ORDER

On May 11, 2022, the Illinois Environmental Protection Agency filed a motion for extension of time to file answers and final comments. The hearing officer set the comment deadline of May 16, 2022. As that date is Monday, and the Board has pending before it a motion to stay the proceeding, the May 16 deadline is extended. A final comment date will be set after the Board rules on the motion to stay.

IT IS SO ORDERED.
