**MARATHON PETROLEUM COMPANY LP'S SUPPLEMENT TO ITS MOTION FOR MODIFICATION OF THE BOARD'S APRIL 7, 2022 OPINION AND ORDER**

MARATHON PETROLEUM COMPANY LP ("Marathon"), by and through its attorneys, hereby files a Supplement to its Motion for Modification of the Illinois Pollution Control Board's ("Board") April 7, 2022 Opinion and Order pursuant to 35 Ill. Adm. Code 101.500. In support of its Supplement, Marathon states as follows:

1. On May 12, 2022, Marathon filed a Motion for Modification of the Board's April 7, 2022 Opinion and Order ("Motion").
2. In the Motion, Marathon requests that the Board modify its April 7, 2022 Opinion and Order to extend the deadline for Marathon to perform and submit the deformities, eroded fins, lesions and tumors (DELTs) study required by the Order.
3. Since the filing of the Motion, Marathon has consulted with counsel for the Illinois Environmental Protection Agency ("Illinois EPA") and with counsel for the Illinois Department of Natural Resources ("IDNR"), who have reviewed the filed Motion.
4. Counsel for Illinois EPA and counsel for IDNR have indicated that Illinois EPA and IDNR have no objection to the Board granting Marathon's Motion. Counsel for Illinois EPA

and IDNR have also reviewed a draft of this Supplement and agreed that this Supplement could state the lack of objection by Illinois EPA and IDNR.

WHEREFORE, Petitioner, MARATHON PETROLEUM COMPANY LP, respectfully prays for the Illinois Pollution Control Board to enter an Order granting its Motion to Modify the Board's April 7, 2022 Opinion and Order, ordering that Petitioner's deadline for completing and submitting the DELTs study is extended to October 7, 2023, and granting such other and further relief in its favor as the Board deems just and proper.

Respectfully submitted,

MARATHON PETROLEUM COMPANY LP,
