ORDER OF THE BOARD (by A. Palivos):

On August 4, 2022, at the petitioner's request, the Illinois Environmental Protection Agency (Agency) timely filed an amended request to extend the 35-day period within which the Village of Niles (Village) may appeal a June 28, 2022 determination of the Agency which on information and belief, was served on Niles on or about June 30, 2022. The determination concerns the Village's underground storage tank (UST) site located at 7300 North Waukegan Road, Niles, Cook County. The Agency determined that it cannot approve the Village's UST Corrective Action Completion Report (report) because of specified deficiencies.

The Board extends the appeal period until Wednesday, November 2, 2022, as the parties request. *See* 415 ILCS 5/40(a)(1) (2020); 35 Ill. Adm. Code 105.406. If the Village fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 11, 2022, by a vote of 5-0.
