## **HEARING OFFICER ORDER**

On August 25, 2022, all parties participated in a telephonic status conference with the hearing officer. The complainant reported that it has been communicating with the respondent and that it appears that a settlement has been reached.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 20, 2022, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal is filed prior to the next stats conference, the conference will be cancelled with further notice.

IT IS SO ORDERED.
