HEARING OFFICER ORDER

On October 3, 2022, all parties participated in a telephonic status conference. The former owner of the site stated that he is unable to retrieve the decommissioning documents due to the age of work performed. The complainant stated that the parties will continue to discuss the status.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 8, 2022, at 1:00 p.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
