OPINION AND ORDER OF THE BOARD (by A. Palivos):

On October 3, 2022, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against R & D #3, Inc. d/b/a BP AM PM Gas Station (BP AM PM). The complaint concerns BP AM PM’s gasoline dispensing facility located at 3200 West Sand Lake Road, Lindenhurst, Lake County. Accompanying the complaint was a stipulation, proposal for settlement, and request for relief from the hearing requirement. The parties therefore seek to settle the complaint without a hearing. For the reasons below, the Board accepts the complaint and directs the Clerk to provide public notice of the stipulation, proposed settlement, and request for hearing relief.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2020)), the Attorney General and the State’s Attorneys may bring actions before the Board to enforce Illinois’ environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2020); 35 Ill. Adm. Code 103. In this case, the People allege that BP AM PM violated Section 9(a) of the Act (415 ILCS 5/9(a) (2020)) and Sections 218.586(i)(1)(B) and 218.586(i)(2)(C) of the Board Air Pollution Regulations (35 Ill. Adm. Code 218.586(i)(1)(B), 218.586(i)(2)(C)).

The People allege BP AM PM committed these violations by causing, threatening, or allowing the discharge or emission of VOCs into the environment; by failing to timely decommission its vapor collection and control system; and by failing to submit a decommissioning checklist, certification, and test results to the Illinois Environmental Protection Agency (IEPA). The Board finds that the complaint meets the content requirements of the Board’s procedural rules and accepts the complaint. *See* 35 Ill. Adm. Code 103.204(c).

On October 3, 2022, simultaneously with the People’s complaint, the People and BP AM PM filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2020)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2020)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). Under the proposed stipulation, BP AM PM neither admits nor denies the alleged violations and

agrees to pay a civil penalty of \$5,000 and to cease and desist from future violations of the Act and Board regulations that were the subject of the complaint.

Unless the Board determines that a hearing is needed, the Board must cause notice of the stipulation, proposed settlement, and request for relief from the hearing requirement. Any person may file a written demand for hearing within 21 days after receiving the notice. If anyone timely files a written demand for hearing, the Board will deny the parties' request for relief and hold a hearing. *See* 415 ILCS 5/31(c)(2) (2020); 35 Ill. Adm. Code 103.300(b), (c). The Board directs the Clerk to provide the required notice.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on October 6, 2022, by a vote of 5-0.

A handwritten signature in cursive script that reads "Don A. Brown". The signature is written in black ink and is positioned above a horizontal line.
