ORDER OF THE BOARD (by C.M. Santos):

On August 11, 2022, at the parties' request, the Board extended until Monday, November 7, 2022, the time period for the City of North Chicago to appeal a July 1, 2022 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2020); 35 Ill. Adm. Code 105.208. The determination concerns the City of North Chicago's proposed RCRA closure plan for the former R. Lavin & Sons/North Chicago Refiners & Smelters site located at 2028 Sheridan Road in North Chicago, Lake County. The Agency denied the City of Chicago's request to terminate the post-closure care for the site. Because the City of North Chicago failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on November 17, 2022, by a vote of 4-0.

Illinois Pollution Control Board
