HEARING OFFICER ORDER

On December 8, 2022, all parties participated in a telephonic status conference with the hearing officer. The complainant reported that it has had discussions with the former owner and that the former owner does not have the needed documents. The complainant is now attempting to locate the present owner to secure the decommissioning documents.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 16, 2023, at 1:15 p.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
