## **HEARING OFFICER ORDER**

On December 7, 2022, all parties participated in a telephonic status conference with the hearing officer. The complainant reported that additional documents of inability to pay have been reviewed by the Illinois Environmental Protection recently and that the parties will be in discussions regarding settlement options. If settlement is not achieved, complainant anticipates filing a motion for summary judgment.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on February 15, 2023, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
