Re: *Naper Commons, Wagner Farms and Trillium Farm Complaints*

Dear Mr. Pratapas:

I have been retained to represent Pulte Homes in the various complaints that you have filed with the Illinois Pollution Control Board. Please be advised that under no circumstance are you permitted to enter any Pulte development or speak to any Pulte employee without a specific order issued from the Illinois Pollution Control Board granting you permission to do so. Should you violate this request, you will not only be trespassing, but we will seek penalties and sanctions from the Illinois Pollution Control Board for this breach.

*Very Truly Yours,*

**SWANSON, MARTIN & BELL, LLP**
