HEARING OFFICER ORDER

On January 5, 2023, all parties participated in a telephonic status conference with the hearing officer. The parties reported that they continue discuss a resolution to this appeal and have had productive discussions. At present, the Illinois Environmental Protection Agency is reviewing proposals submitted by the petitioner.

It was agreed that the record on appeal is now due on May 18, 2023.

The petitioner stated that it would file an additional waiver of the statutory decision deadline to September 21, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on April 6, 2023, at 10:00 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
