ILLINOIS POLLUTION
CONTROL BOARD
NOTICE OF HEARING

The Illinois Pollution Control Board gives notice of public hearing regarding a rulemaking proposed by the Illinois IEPA on December 7, 2022: Proposed Amendments to 35 Ill. Adm. Code 201, 202, and 212 Docket R23-18. If adopted by the Board, the Illinois EPA will submit the pro-

posed amendments to 35 Ill. Adm. Code Parts 201, 202, and 212 to the Illinois State Environmental Protection Agency (USEPA) for review and approval. This is a revision to Illinois' State Implementation Plan (SIP) regarding startup, shutdown, and breakdown events. The amendments submitted to USEPA include the removal of Sections 201.261, 201.262, 201.265, which were identified as inconsistent with the Clean Air Act in the 2015 Startup, Shutdown, and Malfunction SIP Call. Additionally, the SIP update will contain amendments to other sections of the Administrative Code arising from the removal of those three provisions, including removal of Sections 201.263, 201.264, and amendments to Sections 201.149, 201.157, 201.301, 202.211, 212.124, and 212.324. The amendments remove references to provisions removed from the SIP and provide clarification. This notice is intended to satisfy the requirements of Clean Air Act Section 110(1), 42 U.S.C. § 7410(l) (Public notice for SIP revisions). The public hearing will be held on Thursday, January 19, 2023, beginning at 9:00 AM at the Illinois Pollution Control Board Conference Room, First Floor, 1021 North Grand Avenue East, (North Entrance) Springfield, Illinois.
