ORDER OF THE BOARD (by B.F. Currie):

On October 6, 2022, at the parties' request, the Board extended until November 3, 2022, the time period for Aqua Illinois, Inc. (Aqua Illinois) to appeal an August 30, 2022, determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2020); 35 Ill. Adm. Code 101.300(b). The determination concerns Aqua Illinois' University Park public water system located in Will and Cook Counties. The Agency set Optimal Water Quality Parameter ranges and monitoring frequencies for Aqua's University Park public water system.

On November 1, 2022, the parties filed a jointly request an additional 60-day extension of the appeal deadline. In an order issued on November 17, 2022, the Board noted that the parties must request an extension during the initial appeal period. *See* 415 ILCS 5/40(a)(1) (2020); 35 Ill. Adm. Code 105.208. However, the Board construed the request as a timely petition for review and directed Aqua Illinois to file an amended petition by January 3, 2023. Because Aqua Illinois failed to timely file an appeal, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on January 19, 2023, by a vote of 4-0.
