## **AMENDED HEARING OFFICER ORDER**

On February 16, 2023, all parties participated in a telephonic status conference. Complainant reported that it remains waiting for respondent's response to its final offer and if need be, move towards a hearing. Respondent's attorney is hopeful that a response will come on or before the next status conference. By agreement, respondent's answer or other pleading is now due by extension to and including March 23, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 23, 2023, at 10:00 a.m. Please note the change of time. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
