All of my documents have been forwarded to the office of the Inspector General for USEPA. I do not believe the federal government approves of polluters using lawyers to shield themselves from their permit responsibilities while continuing to pollute and/or engage in fraud/racketeering. See Texas. The board should know this.

Good Morning Counsel and Mr. Pratapas. I am working remote today and not in the office. I will need a call-in number or the alternative is to reschedule the telephonic status conference scheduled for today for tomorrow. I am available at 10:30, 11:30 and 11:45 tomorrow, February 16. Please let me know your thoughts on this matter. Thank you.
