**HEARING OFFICER ORDER**

On February 15, 2023, a telephonic status conference was held. Complainant did not appear but did respond by email to the call-in number email provided by the respondent. In part, the email read “[a]ll of my documents have been forwarded to the office of the Inspector General for the USEPA”. The remainder of complainant’s email will be filed with the Clerk of the Board.

Respondent filed a revised proposed discovery schedule on February 23, 2023. The discovery schedule is accepted to the extent as follows and may be revised at future status conferences. 1) Complainant to disclose witnesses on or before March 24, 2023; 2) Parties to propound written discovery on or before April 28, 2023; 3) Parties to answer discovery on or before May 26, 2023; 4) Completion of fact witness depositions on or before June 23, 2023. Further discovery scheduling dates will be discussed at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on June 22, 2023, at 10:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. Respondent has provided a call-in number. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
