ORDER OF THE BOARD (by C.M. Santos):

On August 15, 2016, Midstate Salvage Corp. (Midstate) timely filed a petition asking the Board to review a July 7, 2016 determination of the Illinois Environmental Protection Agency (IEPA). IEPA's determination concerns Midstate's underground storage tank site at 109 Chestnut Street in Taylorville, Christian County. On August 25, 2026, the Board accepted the petition for hearing.

On February 21, 2023, Midstate filed a motion to dismiss (Mot.). The motion states that Midstate "no longer seeks to appeal" the determination and requests that the Board dismiss this matter. Mot. at 1. The Board grants Midstate's motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 2, 2023 by a vote of 4-0.

Don A. Brown, Clerk  
Illinois Pollution Control Board
