ORDER OF THE BOARD (by C.M. Santos):

On September 12, 2022, EMCO Chemical Distributors, Inc. (EMCO) filed an amended petition for review of a June 16, 2022 determination of the Illinois Environmental Protection Agency (Agency). The Agency’s determination concerns EMCO’s leaking underground storage tank (UST) site located at 2525 Greenfield Lane in North Chicago, Lake County. On October 6, 2022, the Board accepted the amended petition for hearing.

On February 21, 2023, EMCO filed a motion to voluntarily dismiss its amended petition (Mot.). The motion states that EMCO and the Agency “have reached a resolution of the underlying subject-matter of this UST appeal such that continued prosecution of the appeal is no longer necessary.” Mot. at 1. EMCO reports that the Agency “does not oppose this motion.” *Id.* The Board grants EMCO’s motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on March 2, 2023 by a vote of 4-0.
