HEARING OFFICER ORDER

On April 3, 2023, the Illinois Environmental Protection Agency (Agency) filed a joint motion for extension of time to file the record and to reschedule the telephonic status conference scheduled for April 6, 2023. (Mot.). The parties state that they continue to negotiate a resolution regarding the disputed issues. Mot. at 2. The parties also state that they plan to have a telephonic conference between May 1-15, 2023, in an attempt to resolve the above-captioned appeal. *Id.* To that end, the Agency requests that the Record due date be extended to July 6, 2023. *Id.*

Petitioner has filed an additional waiver of the statutory decision deadline to November 6, 2023.

The joint motion is granted. The Agency's Record is now due to be filed July 6, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 22, 2023, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
