ORDER OF THE BOARD (by J. Van Wie):

On February 14, 2023, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Conagra Packaged Foods, LLC (Conagra). The complaint concerns Conagra’s facility located at 3801 DeWitt Avenue in Mattoon, Coles County. Accompanying the complaint was a stipulation, proposal for settlement and request for relief from the hearing requirement. On March 2, 2023, the Board accepted the complaint. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2020)), the Attorney General and the State’s Attorneys may bring actions before the Board to enforce Illinois’ environmental requirements on behalf of the People. *See* 415 ILCS 5/31 (2020); 35 Ill. Adm. Code 103. In this case, the People allege that Conagra violated Section 39.5(6)(b) of the Act (415 ILCS 5/39.5(6)(b) (2020)) by operating a Clean Air Act Permit Program (CAAPP) source without the required CAAPP permit.

On February 14, 2023, simultaneously with the People’s complaint, the People and Conagra filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2020)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2020)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Journal Gazette-Times Courier* on March 8, 2023. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from hearing requirement. *See* 415 ILCS 5/31(c)(2) (2020); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board’s procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Conagra’s operations. Section 103.302 also requires that the parties stipulate to facts

called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2020)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Conagra does not affirmatively admit the alleged violation. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2020)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Conagra agrees to pay a civil penalty of \$17,500 within 30 days of the date of this order. The People and Conagra have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
