HEARING OFFICER ORDER

On April 13, 2023, all parties participated in a telephonic status conference with the hearing officer. Petitioner reported that the smokestack tests have been completed and the results have been reviewed. It appears that the results show they are in compliance except for one particulate matter. The parties are continuing to discuss settlement and the petitioner is hopeful a retest will resolve any issue.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on May 23, 2023, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
