OPINION AND ORDER OF THE BOARD (by B.F. Currie):

On June 30, 2022, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Ramachandra Reddy, individually and doing business as BP Amoco Gas Station (BP Amoco). The complaint concerns BP Amoco’s gasoline dispensing facility located at 8650 South Morgan Street in Chicago, Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2020)), the Attorney General and the State’s Attorneys may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2020); 35 Ill. Adm. Code 103. In this case, the People allege that BP Amoco violated Section 9(a) of the Act (415 ILCS 5/9(a) (2020)) and Sections 218.586(i)(1)(B) and 218.586(i)(2)(C) of the Board Air Pollution Regulations (35 Ill. Adm. Code 218.586(i)(1)(B), 218.586(i)(2)(C)). The People allege BP Amoco committed these violations by failing to timely decommission its vapor collection and control system; by failing to submit a decommissioning checklist, certification, and test results to the Illinois Environmental Protection Agency (IEPA); and by causing, threatening, or allowing the discharge or emission of VOCs into the environment so as to violate Board regulations.

On March 29, 2023, the People and BP Amoco filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2020)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2020)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the Chicago Sun-Ties on April 10, 2023. The Board did not receive any requests for hearing. The Board grants the parties’ request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2020); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of BP Amoco's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2020)), which bears on the reasonableness of the circumstances surrounding the alleged violations. BP Amoco does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2020)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, BP Amoco agrees to pay a civil penalty of \$5,000 within 30 days after the date of this order. The People and BP Amoco have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335.
