OK, then we can discuss it in the hearings. I would formally ask you to stop dismissing cases with permit violations as the reason and/or after having yourself refused access to the SWPPP book for "improperness".

Good Afternoon Mr. Pratapas. I cannot have a meeting with you or set up a time to discuss because it would conflict with Ex Parte communication. Please see Section 101.114 of the Board's procedural rules. Thank you and have a nice day.

Me. Haloran,

I have been essentially high functioning, homeless, and only now have my office set up.

Looking at the materials I am receiving there is a pervasive pattern of permit violations being used against me. Most often not having access to the project sign with permit info and or SWPPP book being leveraged to dismiss cases.

This is an issue that should be addressed once for all of these cases to move forward appropriately. Can we set up a time to discuss this?
