Personal Service: City Council Office sign directed me to Julie Dunler due to Holiday

After all due diligence, I was **unable to determine proper name of responsible legal entitie(s)** and/or registered agent(s) due to missing required permit signage. In the best interest of the natural environment, my safety and due to failures by respondent(s) to comply with and/or understand their permit obligations, I personally served the most available and/or highest level employee of who would have a chain of command for handling such matters.
