HEARING OFFICER ORDER

On July 27, 2023, all parties participated in a telephonic status conference. The petitioner reported that the parties appear to be close to a resolution and have exchanged documents to implement a revise response plan. At present, the respondent is reviewing while the petitioner awaits comments. The petitioner stated that it will file an additional waiver of the statutory decision deadline to January 18, 2024.

By agreement, the record in this matter is now due on October 20, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 11, 2023, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
