OPINION AND ORDER OF THE BOARD (by B.F. Currie):

On June 7, 2023, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a two-count complaint against the Village of Blue Mound (Village). The complaint concerns the Village’s sewage treatment plant located at 1078 North Railroad Avenue in Blue Mound, Macon County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties’ stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2022)), the Attorney General and the State’s Attorneys may bring actions before the Board on behalf of the People to enforce Illinois’ environmental requirements. *See* 415 ILCS 5/31 (2022); 35 Ill. Adm. Code 103. In this case, the People allege that the Village violated the following sections of the Act and Board regulations:

Count I: Section 12(f) of the Act, 415 ILCS 5/12(f) (2022), Section 309.102(a) of the Board’s Water Pollution Regulations, 35 Ill. Adm. Code 309.102(a), and Standard Condition 2 of its NPDES Permit by causing or allowing the discharge of wastewater into the tributary and Mosquito Creek from its sewage treatment plant without timely reapplying for reissuance of its NPDES Permit.

Count II: Section 12(a) of the Act, 415 ILCS 5/12(a) (2022), and Section 309.102(a) of the Board’s Water Pollution Regulations, 35 Ill. Adm. Code 309.102(a), by causing or allowing the discharge of contaminants.

On June 7, 2023, simultaneous with the People’s complaint, the People and the Village filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2022)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2022)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the Decatur *Herald & Review* on June 22, 2023. The Board

did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2022); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of the Village's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2022)), which bears on the reasonableness of the circumstances surrounding the alleged violations. The Village admits the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2022)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, the Village agrees to pay a civil penalty of \$7,000 within 30 days after the date of this order. The People and the Village have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
