ORDER OF THE BOARD (by J. Van Wie):

In a letter filed with the Board on June 21, 2023, T5@Chicago II, LP (T5) requested “a determination for enforcement discretion,” which the Board construed as a petition for a variance (Pet.) from the requirements of a construction permit issued by the Illinois Environmental Protection Agency (IEPA). The petition concerns a data center owned and operated by T5 at 200 Innovation Drive in Elk Grove Village, Cook County.

In an order on July 6, 2023, the Board found that the petition was procedurally insufficient and directed T5 to file an amended petition addressing identified deficiencies within 30 days or face dismissal. Because T5 did not timely file an amended petition, the Board dismisses this case and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on August 17, 2023, by a vote of 3-0.
