HEARING OFFICER ORDER

On August 21, 2023, all parties participated in a telephonic status conference. It was agreed that any exhibits the parties anticipate moving for admission at hearing that are not in the record, be revealed by September 14, 2023. Any objections to the exhibits not in the record are due to be filed by September 21, 2023. It was also agreed that any stipulations are to be filed by September 21, 2023. The parties reported that it does not appear that they will be filing any motions *in limine*.

Lakeshore Recycling Systems, LLC., stated that it will file an additional waiver of the statutory decision deadline to January 18, 2024. The parties agreed that they will discuss a post-hearing briefing schedule based on January 18, 2024, decision deadline with the record to close December 1, 2023. Simultaneous briefs will be included in the discussions.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 21, 2023, at 10:30 a.m. The telephonic status conference must be initiated by the petitioners, but each party is nonetheless responsible for its own appearance.
