HEARING OFFICER ORDER

On September 11, 2023, all parties participated in a telephonic status conference. The parties report that it appears that the parties have settled but that they are drafting language in petitioner's motion to voluntarily dismiss should it choose to file.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 4, 2023, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
