HEARING OFFICER ORDER

On September 14, 2023, a telephonic status conference was held. Respondent did not appear. Complainant, however, stated that it has been in contact with the respondent and it appears a settlement has been reached. Complainant will draft a stipulation and proposal for settlement and forward it to respondent for its review. By agreement, respondent's answer or other pleading is now due November 2, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 2, 2023, at 9:00 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation and proposal for settlement is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
