HEARING OFFICER ORDER

On October 4, 2023, all parties participated in a telephonic status conference. It was noted that the petitioner filed a motion to voluntarily dismiss (Mot.) on October 3, 2023. At the conference call, the respondent stated it had no objection to the petitioner's motion. If needed, it was agreed that the record due date was extended to November 17, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 19, 2023, at 2:00 p.m. if needed. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, the Board accepts the motion at the next Board meeting, the conference call will be cancelled without further notice.

IT IS SO ORDERED.
