HEARING OFFICER ORDER

On October 5, 2023, all parties participated in a telephonic status conference with the hearing officer. Discussion was held regarding a discovery schedule and the proposed discovery was due to be submitted by October 19, 2023. However, shortly after the conference call, complainant emailed the respondent and the hearing officer and stated that he intends to file a motion to voluntarily dismiss the above-captioned matter.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer, if needed, on November 16, 2023, at 10:00 a.m. The telephonic status conference must be initiated by the complainant with the complainant providing the call-in number. If unable, call my number below and I will conference you in. Each party is responsible for its own appearance. At the conference, the parties must be prepared to discuss the status of the case.
