ORDER OF THE BOARD (by M.D. Mankowski):

On November 13, 2023, Jeet Singh d/b/a Aman Food & Gas (Singh) filed a motion to voluntarily dismiss this appeal, which concerns a leaking underground storage tank (UST) site located at 1830 5th Avenue in Moline, Rock Island County. Singh had filed a petition for review of a determination by the Illinois Environmental Protection Agency (Agency) in which the Agency partially denied Singh’s corrective action plan and budget for the leaking UST site. The Board grants Singh’s motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on November 16, 2023, by a vote of 3-0.
