AMENDED HEARING OFFICER ORDER

On November 16, 2023, a telephonic status conference was held. Complainant did not call-in. I called his telephone number that he supplied to Clerk on November 15, 2023, and continued with the status of the case on his voicemail. The parties were informed that the Board has taken under advisement the various motions filed by the parties. It is noted that complainant was unable to attend last status conference due to “electricity” issues. It is further noted that complainant has failed to appear at least 3 other telephonic status conferences.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 18, 2024, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, and the respondent to provide a telephone number. Each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
