HEARING OFFICER ORDER

On December 7, 2023, all parties participated in a telephonic status conference. Complainant reported that there has been no resolution in the above-captioned matter. Respondent reported that he has been trying to solicit legal assistance but to no avail. I suggested to contact law schools to find out whether legal aid could assist. Complainant stated that it intends to file a motion to deem facts admitted and a motion for summary judgment in the near future. Respondent was informed that he has 14 days to respond.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on March 7, 2024, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
