ORDER OF THE BOARD (by B.F. Currie):

On November 2, 2023, at the parties' request, the Board extended until January 30, 2024, the time period for BFI Waste Systems of North America, LLC (BFI) to appeal a September 25, 2023, determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2022); 35 Ill. Adm. Code 105.406. On January 30, 2024, BFI timely filed a petition asking the Board to review the Agency's determination. For the reasons below, the Board accepts the petition for review.

Under the Environmental Protection Act (415 ILCS 5 (2022)), the Agency is the permitting authority, responsible for administering Illinois' regulatory programs to protect the environment. If the Agency denies a permit or grants one with conditions, the permit applicant may appeal the Agency's decision to the Board. *See* 415 ILCS 5/4, 5, 40(a)(1) (2022); 35 Ill. Adm. Code 105.Subpart D. In this case, the Agency issued a renewed Resource Conservation and Recovery Act Post-Closure Permit with conditions for the Davis Junction Landfill in Ogle County. BFI appeals on the grounds that the Agency misconstrues regulatory provisions and its authority in extending post-closure care requirements including financial assurance. BFI's petition meets the content requirements of 35 Ill. Adm. Code 105.210.

The Board accepts the petition for hearing. BFI has the burden of proof. 415 ILCS 5/40(a)(1) (2022); *see also* 35 Ill. Adm. Code 105.112(a). Hearings will be based exclusively on the record before the Agency at the time the Agency issued its permit decision. *See* 35 Ill. Adm. Code 105.214(a). Accordingly, though the Board hearing affords a permit applicant the opportunity to challenge the Agency's reasons for denying or conditionally granting the permit, information developed after the Agency's decision typically is not admitted at hearing or considered by the Board. *See* Alton Packaging Corp. v. PCB, 162 Ill. App. 3d 731, 738, 516 N.E.2d 275, 280 (5th Dist. 1987); Community Landfill Co. & City of Morris v. IEPA, PCB 01-170 (Dec. 6, 2001), *aff'd sub nom. Community Landfill Co. & City of Morris v. PCB & IEPA*, 331 Ill. App. 3d 1056, 772 N.E.2d 231 (3rd Dist. 2002).

Upon its own motion or the motion of any party, the Board or the hearing officer may order that the hearing be held by videoconference. In deciding whether to hold the hearing by videoconference, factors that the Board or the hearing officer will consider include cost-effectiveness, efficiency, facility accommodations, witness availability, public interest, the parties' preferences, and the proceeding's complexity and contentiousness. *See* 35 Ill. Adm. Code 101.600(b), 105.110.

Hearings will be scheduled and completed in a timely manner, consistent with the decision deadline (*see* 415 ILCS 5/40(a)(2) (2022)), which only BFI may extend by waiver (*see* 35 Ill. Adm. Code 101.308). If the Board fails to take final action by the decision deadline, BFI "shall be entitled to an Appellate Court order pursuant to subsection (d) of Section 41 of this Act [415 ILCS 5/41(d) (2022)]." 415 ILCS 5/40(a)(3) (2022). Currently, the decision deadline is Wednesday, May 29, 2024, which is the 120th day after the Board received the petition. *See* 35 Ill. Adm. Code 105.114. The Board meeting immediately before the decision deadline is scheduled for Thursday, May 16, 2024.

Unless the Board or the hearing officer orders otherwise, the Agency must file the entire record of its determination by Thursday, February 29, 2024, which is 30 days after the Board received BFI's petition. *See* 35 Ill. Adm. Code 105.116(a), 105.212(a). If the Agency wishes to seek additional time to file the record, it must file a request for extension before the date on which the record is due to be filed. *See* 35 Ill. Adm. Code 105.116(a). The record must comply with the Board's requirements for content, organization, and certification. *See* 35 Ill. Adm. Code 101.1030(g), 105.116(b), 105.212(b). In addition, the Agency must file the record electronically instead of in paper. Specifically, the record must be filed through the Clerk's Office On-Line (COOL) or on compact disk or other portable electronic data storage device and, to the extent technically feasible, in text-searchable Adobe PDF. *See* 35 Ill. Adm. Code 101.302(h)(2)(A), 105.116(a).<sup>1</sup>

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 15, 2024, by a vote of 4-0.

Illinois Pollution Control Board
