We need to docket this in the cases, and Don let's talk on Tuesday about how to handle the "Email issue" and we may address it in the hearing officer order

Good afternoon Tim and Marie, I don't know if Brad forwarded this e-mail to you, but this was sent to me on Monday, just wanted you to be aware of this e-mail from Mr. Pratapas, of course I did not reply to it.

This email is not my address on file and is not to be used for service of any documents.

This case has been forwarded to the FBI and the hearing officer reported for misconduct as he interfered with the board's process and my constitutional rights.

No action on my end will be taken on any cases which involve criminal activity, as a result of Brad. Upon conclusion of all cases and attorneys being reported, things will be reassessed.

Until then, you have been asked, with witnesses from criminal justice organizations, not to interfere with documents and pending investigations. Involving those of Brad for misconduct.
