OPINION AND ORDER OF THE BOARD (by M. Gibson):

On May 3, 2024, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against Petroleum Investment Properties LLC (Petroleum Investment Properties). The complaint concerns Petroleum Investment Properties' property located at 11900 Marshfield Avenue in Calumet Park, Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2022)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (2022); 35 Ill. Adm. Code 103. In this case, the People allege that Petroleum Investment Properties violated Section 9(a) of the Act (415 ILCS 5/9(a) (2022)) and Section 218.586(i)(2)(C) of the Board's air pollution rules (35 Ill. Adm. Code 218.586(i)(2)(C)) by failing to timely submit a decommissioning checklist, certification, and test results to the Illinois Environmental Protection Agency and by causing, threatening, or allowing the discharge of volatile organic compounds into the environment so as to violate Board rules..

On May 3, 2024, the People and Petroleum Investment Properties filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2022)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2022)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Chicago Sun-Times* on May 18, 2024. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2022); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements

include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Petroleum Investment Properties' operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2022)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Petroleum Investment Properties does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2022)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Petroleum Investment Properties agrees to pay a civil penalty of \$5,000 within 30 days after the date of this order. The People and Petroleum Investment Properties have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
