OPINION AND ORDER OF THE BOARD (by J. Van Wie):

On June 7, 2024, the Office of the Attorney General, on behalf of the People of the State of Illinois (People), filed a one-count complaint against the Village of Bedford Park (Village). The complaint concerns the Village's Public Water Supply (PWS) located at 6700 South Archer Road in Bedford Park, Cook County. The parties now seek to settle without a hearing. For the reasons below, the Board accepts the parties' stipulation and proposed settlement.

Under the Environmental Protection Act (Act) (415 ILCS 5 (2022)), the Attorney General and the State's Attorneys may bring actions before the Board on behalf of the People to enforce Illinois' environmental requirements. *See* 415 ILCS 5/31 (2022); 35 Ill. Adm. Code 103. In this case, the People allege that the Village violated Section 602.300(a) of the Board's PWS rules (35 Ill. Adm. Code 602.300(a)) and Sections 18(a)(2) and 18(a)(3) of the Act (415 ILCS 5/18(a)(2), (a)(3) (2022)) by causing or allowing the use or operation of 47 additions or modifications to its existing PWS, which required and were authorized by construction permits, without first obtaining operating permits and by operating those additions and modifications without operating permits granted by the Illinois Environmental Protection Agency.

On June 7, 2024, the People and the Village filed a stipulation and proposed settlement, accompanied by a request for relief from the hearing requirement of Section 31(c)(1) of the Act (415 ILCS 5/31(c)(1) (2022)). This filing is authorized by Section 31(c)(2) of the Act (415 ILCS 5/31(c)(2) (2022)), which requires that the public have an opportunity to request a hearing whenever the State and a respondent propose settling an enforcement action without a public hearing. *See* 35 Ill. Adm. Code 103.300(a). The Board provided notice of the stipulation, proposed settlement, and request for relief. The newspaper notice was published in the *Desplaines Valley News* on June 27, 2024. The Board did not receive any requests for hearing. The Board grants the parties' request for relief from the hearing requirement. *See* 415 ILCS 5/31(c)(2) (2022); 35 Ill. Adm. Code 103.300(b).

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the

nature of the Village's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2022)), which bears on the reasonableness of the circumstances surrounding the alleged violations. The Village neither admits nor denies the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2022)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, the Village agrees to pay a civil penalty of \$3,240 within 30 days after the date of this order. The Village must also timely apply for and obtain operating permits for all future PWS projects. The People and the Village have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.

Illinois Supreme Court Rule 335 establishes filing requirements that apply when the Illinois Appellate Court, by statute, directly reviews administrative orders. 172 Ill. 2d R. 335.
