HEARING OFFICER ORDER

On September 5, 2024, all parties participated in a telephonic status conference. The parties reported that they remain discussing the contents of a draft stipulation and estimate that it remains 95%-99% complete. A newly arisen issue is whether the schools dust collector is lawfully allowed to operate on Sundays if needed. Mr. Kruk stated he will contact the City of Winnetka in attempt to resolve this issue. If, not resolved by the next status conference in two weeks, I will direct the parties to file written dispositive motions and/or set the matter for hearing.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 26, 2024, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. If, however, a stipulation is filed prior to the next status conference, the conference will be cancelled without further notice.

IT IS SO ORDERED.
