**HEARING OFFICER ORDER**

On September 5, 2024, all parties participated in a telephonic status call. The respondent requested more time to review the responses to discovery that have been filed. The respondent stated that it will at the next status conference have an idea on how to proceed-depositions, a dispositive motion or hearing. Complainant had a question on Board subpoenas. Subpoena information can be found in the Board's procedural rules, Section 101.622.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 7, 2024, at 10:30 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
