**HEARING OFFICER ORDER**

On September 23, 2024, all parties participated in a telephonic status conference with the hearing officer. The respondent reported that it has recently received additional information from the petitioner and will review and continue discussions with the petitioner. To that end, the petitioner will file an additional waiver of the statutory decision deadline to February 6, 2025.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on October 17, 2024, at 11:00 a.m. The telephonic status conference must be initiated by the petitioner, and provide a call-in number, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
