Respondent.	)	

ORDER OF THE BOARD (by J.A. Van Wie):

On October 22, 2024, the parties timely filed a joint notice to extend the 35-day period within which Chevron Environmental Management Company (Chevron) may appeal a September 24, 2024 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2022); 35 Ill. Adm. Code 101.300(b), 105.206(c), 105.208(a), (c). In the determination, the Agency issued a National Pollutant Discharge Elimination System (NPDES) permit with conditions to the former Texaco Lockport Refinery located at 301 West Second Street in Lockport, Will County.

The Board extends the appeal period until Monday, February 3, 2025, as the parties request. *See* 415 ILCS 5/40(a)(1) (2022); 35 Ill. Adm. Code 105.208(a). If Chevron fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on November 7, 2024, by a vote of 4-0.

Don A. Brown, Clerk  
Illinois Pollution Control Board
