**HEARING OFFICER ORDER**

On November 7, 2024, all parties participated in a telephonic status call. The respondent requested additional time to review the responses to discovery that have been filed. Complainant stated that she has no objection. Complainant reported that she is having a difficult time obtaining additional information and documents from the Village to support her complaint. The parties were reminded that all submitted information and documents must be relevant and material.

As an aside, complainant stated that the reason she is bringing her complaint before the Board is that the Village is not enforcing its own noise ordinances.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 17, 2024, at 10:45 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
