BEFORE THE ILLINOIS POLLUTION CONTROL BOARD

IN THE MATTER OF:)
)
PROPOSED AMENDMENTS TO) R 22-18
GROUNDWATER QUALITY) (Rulemaking – Public Water Supplies)
35 ILL. ADM. CODE 620)

MOTION FOR EXTENSION OF TIME

NOW COMES the Illinois Environmental Protection Agency (Agency or Illinois EPA), by and through one of its attorneys, Sara G. Terranova, pursuant to 35 Ill. Adm. Code 101.500 and 101.522, respectfully requests that the Illinois Pollution Control Board (Board) grant Illinois EPA additional time to file comments and respond to the Board's questions in the above captioned proceeding. In support of this motion, the Illinois EPA states as follows:

1. On October 17, 2024, the Board solicited public comments and responses from the Illinois EPA regarding proposed revisions, setting a filing deadline of November 18, 2024.
2. While the Agency has made progress, additional time is required due to the volume of questions and the necessity of coordinating responses among its various bureaus.
3. Granting an extension will ensure the Agency has sufficient time to thoroughly coordinate, discuss, and provide comprehensive responses to the Board.
4. The Illinois EPA has informed all parties on the Service List of its intention to seek an extension and intends for this extension to similarly adjust the comment deadline for all parties.

WHEREFORE, the Illinois EPA respectfully requests that the Board extend the deadline for filing comments and responses to December 6, 2024.

Respectfully submitted,
