HEARING OFFICER ORDER

On December 17, 2024, all parties participated in a telephonic status call. The complainant requested additional time to file her response to respondent's motion for summary judgment, filed December 16, 2024. Complainant was given until January 9, 2025, to file her response. Without objection, respondent was given until January 2, 2025, to file his response to complainant's motion to compel, filed November 18, 2024.

Complainant was reminded that documents filed as part of her ongoing discovery filed with the Board must be relevant to the alleged noise violations found in her complaint. The parties are reminded that any document filed with the Clerk of the Board must also be served on the hearing officer pursuant to my order of March 27, 2024.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on January 2, 2025, at 11:00 a.m. The telephonic status conference must be initiated by the complainant by calling the number below, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
