**Subject:** [External] FW: Proposed Amendments to Groundwater Quality (35 Ill. Adm. Code 620), R22-18

Good morning, Hearing Officers Horton and Salk:

I am writing because there appears to be a typo in Addendum A to the Board's Order in R22-18. The Opinion and Order states that "the Board proposes [Dynergy's revisions] to sections 620.240(h) and 620.440(d) at second notice." See Opinion and Order at 26. While the revision to 620.440(d) appears to have been captured in Addendum A, the revision to 620.240(h) does not. We wanted to make the Board aware of this issue and request any direction you may be able to provide regarding how to proceed / remedy the issue. Thanks.

Best,  
Bina Joshi
